Title: The Magic Hole, Excerpt from Pages 1 & 2

Word Count: 100

One day, Kim’s mother sent her to the store to buy some rice. It was a long way to the store and she was glad to take a rest when she got there. The sack was soon filled with rice; Kim paid for it and set off for home. Most of the way was uphill, and the sack was heavy.

This time was different. The sack seemed to get lighter as she went along. “I must be getting stronger,” Kim told herself. When she reached the top of the next hill, she got a nasty shock. She saw now why.....
